Local Improvement Subsequent  
Procedure

The Council heard the following representations speaking for or against the projects listed:

	<u>Project No.</u>	<u>Comments</u>
Mr. George Sowden	81	Spoke in favour of the project.
Mr. James Mellis	40	Spoke against this project.
Mrs. Johnson	41	Spoke against the project proceeding. She stated that since the Arthur Laing Bridge has opened, a number of motorists use this lane as a freeway to the Bridge and she contended that if the lighting were improved, the use of the lane by these motorists would increase.
Mr. Jung Yim Pang	54	Upon having been advised that his levy would be \$3.25 per year for ten years, Mr. Pang withdrew his objection to the project.

Council also noted a report of the City Manager dated November 9, 1977, in which the City Engineer reported as follows:

The projects are identified as follows:

<u>Court of Revision</u>	<u>Schedule</u>	<u>Type</u>

DEFEATED PROJECTS

The following project on the 'Initiative Principle' has been defeated:

<u>Court of Revision</u>	<u>Schedule</u>	<u>Type</u>

DELETED PROJECT

Schedule 9 - Light Standard Project on Kinross Street from 229 feet north of Kent Avenue to Kent Avenue.

This item should be deleted because the proposed redevelopment of S.E. Marine Drive involves street development at the northerly end of this project. The scope of the project is, therefore, uncertain at this time.
